

Cycle Transition 1 (CT1) information

- ❖ Leaving the pool, there will be a short run (about 5m) into CT1, one parent (with a security wrist band) will be allowed into CT1 with their child to help them get ready for their cycle leg.
- ❖ **IMPORTANT** - Any bags left in CT1 will be transported to the event arena & to the bag collection area.
- ❖ The children will mount their bikes as they leave CT1, they will cycle through the school grounds (**there will be no moving traffic in this area**) towards the main field arena and their cycle course.
- ❖ *See other maps on the Henley Kids web pages for full bike & run course plus distances.*

Cycling from Cycle Transition 1 to the main arena & the bike course

- ❖ The children will cycle through the school grounds, this section will be free of traffic & there will be marshals situated throughout this part of the cycle course.
- ❖ **IMPORTANT!** The children, once they have finished their bike course, will have their bike taken off them by a marshal who will rack their bike in CT2. The children will go straight onto the run course.
