Further Information

Timing

This event is intended for all abilities to complete the challenge of the duathlon and therefore we don't publish results in fastest to slowest order, instead they are published in alphabetical order by surname. We believe this is important to encourage all children to take part without the pressure of coming last or not doing as well as other children. Every child will be a winner of the North West Kids Duathlon. We will take an overall time for each competitor. Results will be published later the same day on our website www.uktriathlon.co.uk.

Finisher's Medal

There is a commemorative 2026 medal for all finishers.

Photography & Filming

UK Triathlon and our official event photographers, My Sport Photos, will be filming/taking photos to capture your child's best sporting moments. Images may be used for promotional purposes so remember to smile and wave at the camera! Images taken by My Sport Photos will be available to purchase post event. An email will be sent to you once the photos are available. For any photography inquiries please contact info@mysportphotos.co.uk or www.mysportphotos.co.uk.

Health & Wellbeing

If your child is suffering from any kind of bad chest, cold, sore throat or ear infection we advise they do not take part.

Hydration

Make sure your child/children are sufficiently hydrated before the event.

Can my friends and family spectate

Yes! Friends and family are welcome to spectate on the Barony Park.

Illegal Equipment

For your safety and the safety of other competitors, certain items are banned during the event as well as in the cycle transition. This includes any music, headphones, headsets, technical earplugs (including bone conduction headphones), mobile phones and personal video recording devices.

Littering

Littering is prohibited during the event. Please use the bins at the feed stations or at the venue.

Race Format

UK Triathlon reserve the right to alter the date, start time, venue or format of an event. Similarly, changes to the event may occur due to adverse weather conditions, 'acts of God', water conditions or emergency road closures. Participants will be notified as soon as possible of any changes. As long as the event is staged no refunds or transfers can be given.
