Every competitor will be temperature checked with a digital thermometer before registering.

## **Transition**

Each competitor has their own numbered racking position. Rack only there and with your race number facing you.

## **Race Brief**

There will be a short race brief shortly before each event starts from the finish line stage which will be announced over the PA system on the day. There will also be a socially distanced race brief covering all events at 3pm on Saturday 5th from the finish line.

## **Start Format**

Please hand in your electronic timing chip at the finish line whether you complete the course or not or you will be required to pay £25.00 to replace it.

**Please follow these simple steps to wear your chip correctly -**

2. The chip should be secure on the strap.
3. Place the strap around your LEFT ankle with the timing chip on the outside
4. Give the chip a firm pull, it should remain securely fastened

# Know your Official British Triathlon Rules

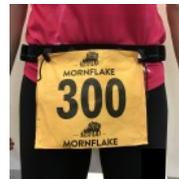

## Race Number x2

Your race number must be clearly displayed on your back for the bike and clearly displayed on your front for the run. Pin the race number in all four corners.

If using an elastic number belt pin the number in the top left and right hand corners.

You must not re-size your race number in any way.

Please write your name, blood group (if known) and any allergies or medical conditions you may have on the back of your race number.

## What do I wear?

You can wear swimsuit/trunks or a triathlon specific trisuit for the swim (wetsuits are compulsory for the Ultimate Half). For both the cycle and run leg you can wear cycling or running gear that you're able to both cycle and run in, or a mixture of both. You can also wear a T shirt and shorts. The UK Triathlon 2021 technical series shirt is also a good option and can be purchased at the event (subject to availability). You can also wear a triathlon specific trisuit. If it is cooler, you can wear long sleeves or long pants or add layers like a windproof jacket.

## Helmets

Your bike sticker must be attached to the front of your helmet.

Helmets are compulsory for the cycle and must be clipped before the bike is touched, and remain fastened until the bike is racked after the cycle stage.

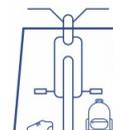

## Bike

Any type of bike can be used as long as it is road worthy. One bike sticker must go on the front of your handlebars and the other bike sticker must go on your seat stem.

## Transition

Competitors should only bring into transition what is needed - a small bag can remain but large, bulky boxes are to be taken out of transition whilst the race is live.

## Illegal Equipment

Certain items are banned during the event. This includes mobile phones and personal video recording devices. Leave these outside transition.

## Drafting

Competitors must keep their distance from the cyclist in front of them, so as not to gain an advantage

In the Ultimate 1/4 the gap between the front wheel of the leading bike, to the front wheel of the following bike should be 10 metres—if overtaking a competitor, you have 20 seconds to pass through their draft zone.

In the Ultimate and Ultimate Half events, the gap is 12 metres and the time allowed to pass through is 25 seconds.

## Littering

Do not discard empty water bottles, gel or bar wrappers anywhere on the course. Use the feed stations or rubbish bins provided. If you can carry a gel full you can carry it empty!

Follow the cycle route signs around the course and do not turn until you see a sign. **Please take extra care at all junctions, although there are safety marshals present, they are not there to give direction.**

## Feed Station (Ultimate Half only)

There will be four feed stations on the run course.

We recommend everyone takes their own small hand sanitiser on the bike and the run.

1. Have family or friends from your Covid group safely hand them to you on the course\*

\* Run Course; Can be done almost anywhere within Alderford but not outside on the closed road section.
