Further Information

Timing

This event is intended for all abilities to complete the challenge of the duathlon and therefore we don't publish results in fastest to slowest order, instead they are published in alphabetical order by surname. We believe this is important to encourage all children to take part without the pressure of coming last, or not doing as well as other children. Every child will be a winner of the North West Kids Duathlon. We will take an overall time for each competitor. Results will be published later the same day on our website www.uktriathlon.co.uk.

Finisher's Medal

There is a commemorative 2025 medal for all finishers.

UK Triathlon and our official event photographers, My Sport Photos, will be filming/taking photos to capture your child's best sporting moments. Images may be used for promotional purposes so remember to smile and wave at the camera! Images taken by My Sport Photos will be available to purchase post event. An email will be sent to you once the photos are available. For any photography inquiries please contact info@mysportphotos.co.uk or www.mysportphotos.co.uk.
