It is good practice to write your child/children's name, blood group (if known) and any allergies they may have on the back of their race number.

The swim course will be one lane rope 25m in distance. As an added precaution, as soon as your child/children get into water that is deep enough to swim, then it is advisable to swim not walk. Although Alderford is a clean lake and divers will have checked, we cannot absolutely guarantee what is underfoot.

Wetsuits are permitted but not compulsory.

When the swim course is completed, if necessary please escort your child/children to the Cycle Transition Area. You can help putting on their helmet, shoes, race number, etc.

Further Information

Timing

This event is intended for all abilities to complete the challenge of the triathlon and therefore we don't publish results in fastest to slowest order, instead they are published by race number. We believe this is important to encourage all children to have a go without the pressure of coming last, or not doing as well as others. Every child will be a winner of the Ultimate Kids Triathlon. We will take an overall time for each competitor. You may go to the timing trailer at the finish line and see their results in race number order.

Hydration

Make sure your child/children are well hydrated before the event (drink plenty of water).

Photography

Our official event photographers, New Pixels Photography, will be in attendance on the day to capture your best sporting moments, with the option to purchase photographs online post event.

Finishers Medal

There is a commemorative 2019 medal for all finishers.

Health & Well Being

If your child is suffering from any kind of bad chest, cold, sore throat or ear infection we advise they do not take part.

If it is a sunny day apply sunscreen to protect against sunburn.
