From Registration follow the signs 'Transition Entrance this way'

Split Cycle Transition

There are two Cycle Transition Areas at this triathlon.

- Cycle Transition 1 is at Nantwich Swimming Pool (at the start of the cycle course)
- Cycle Transition 2 is at the Barony Park (at the end of the cycle course)

Before entering Cycle Transition Area 1

Please put on your helmet and fasten the strap to show the marshal on entry. You are responsible for checking your own cycle brakes, your bike must be in road worthy condition. Please do not rack your bike more than 20 minutes before your start time.

- Both Cycle Transition Areas open from 07:15am.
- Once registered, leave anything you may require for the final run only (such as running shoes), in Cycle Transition Area 2 located opposite the registration marquee on Barony Park.
- Only competitors are allowed in the Cycle Transition Areas. You cannot enter the Cycle Transition Areas until your bike and helmet stickers are attached (see page 5).
- Competitors should only bring into transition what is needed - a small bag can remain by your bike. Within transition there is an area for larger bags.
- Rack your bike in an empty space in cycle transition area 1, the white tape denotes a racking position.

Transition Bag

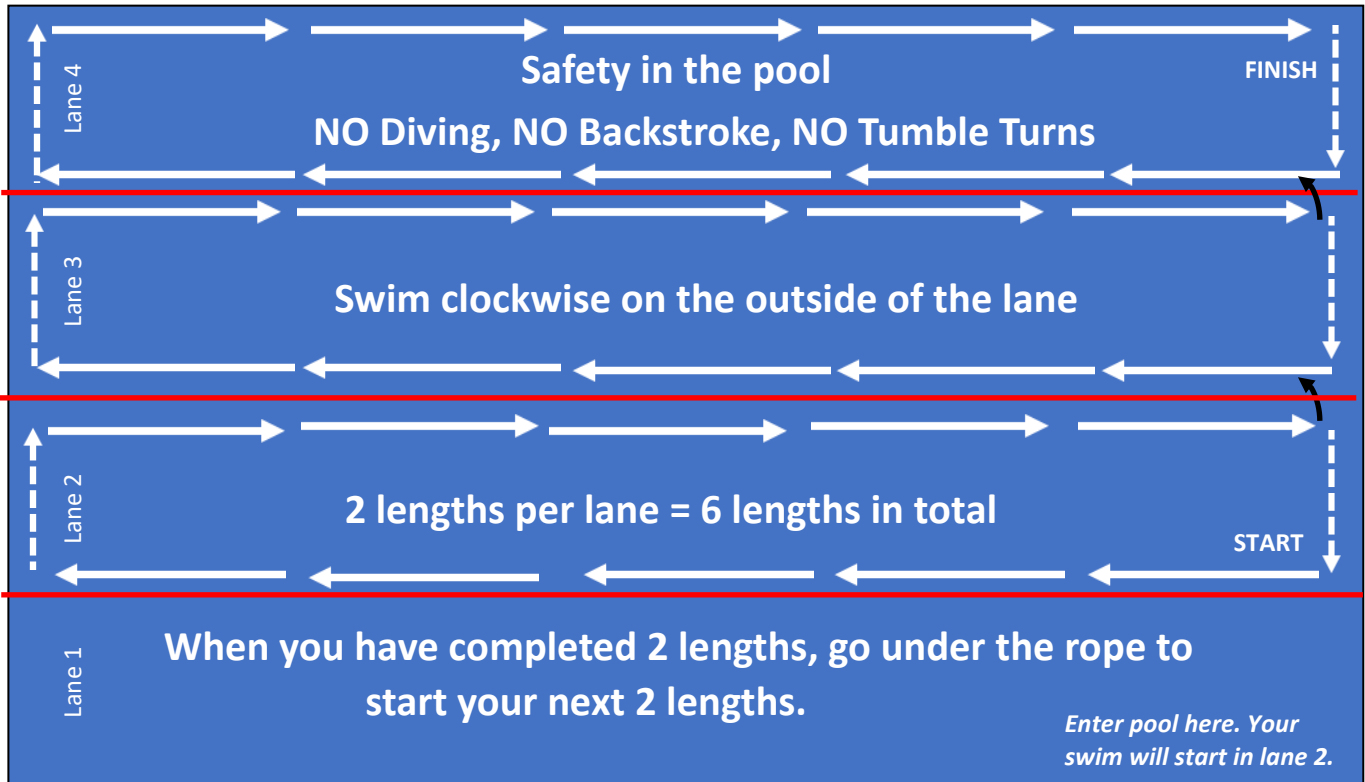

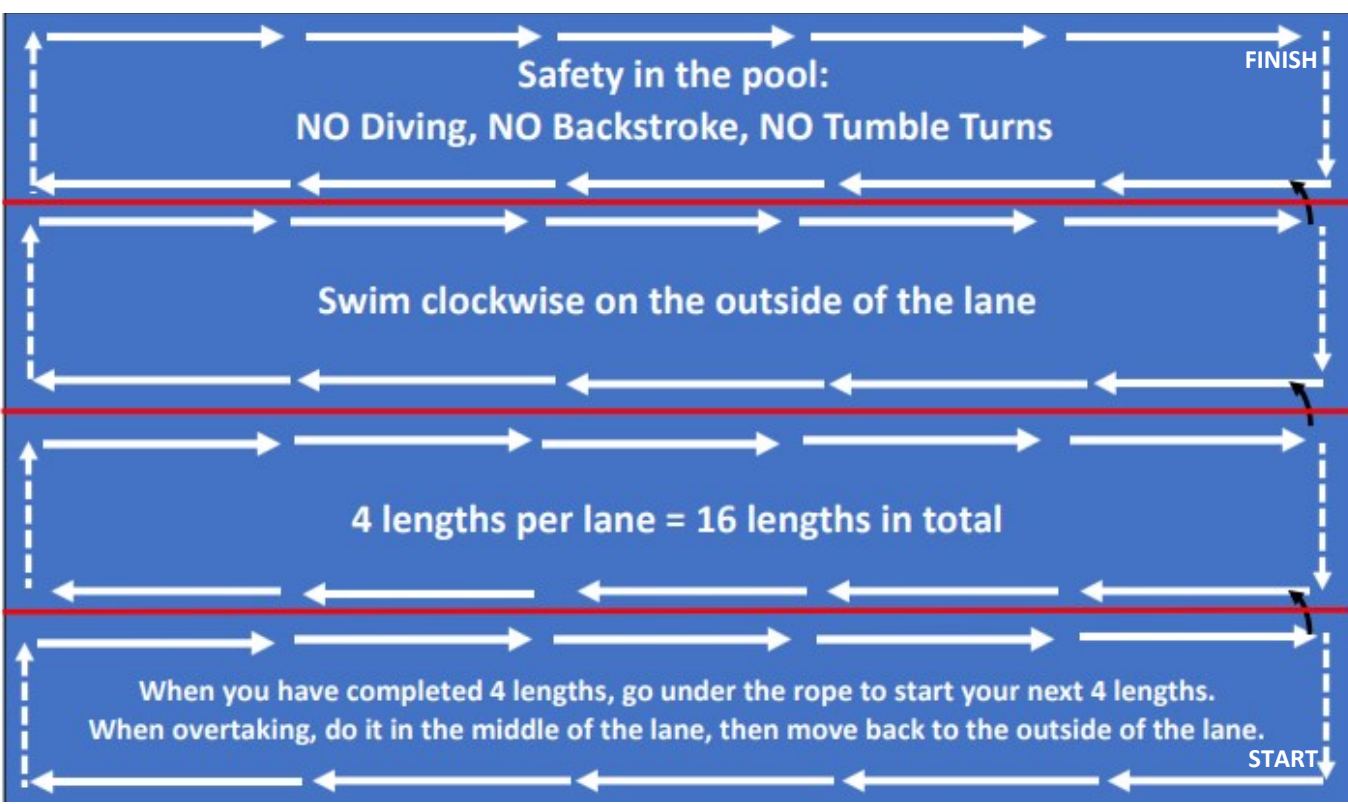

Please take a small bag or small rucksack, no larger than 40x30x15cm, to cycle transition area 1 to use to put items into after your swim e.g. a towel, swimming goggles, swim cap, clothing. Please attach the numbered band you will be given at registration clearly on the bag and leave it next to your cycle transition position. We will transport your bag to the bag collection point at the rear of the finish line for you to collect after you have completed the triathlon. Please do not leave valuable items in your bag.

Security

Although we allocate security staff to specifically watch the Cycle Transition Area, please note that we cannot be responsible for any items lost or stolen.

From Transition area 2 follow signs 'To the Pool'.

- Remember to take everything you need for the swim, wearing your timing chip and strap!
- You should be at pool side 15 minutes prior to your start time to ensure you are positioned in number order and have time to listen to the compulsory race brief.
- All relay team members must attend the Race Brief.
- Please have the wristband that is given to you at registration on your right wrist and visible as you queue for the swim start.
- It is your responsibility to count the correct number of lengths.
- The swim course is very straightforward and will be explained to you during the Race Brief. There are signs and stewards to help if you get confused, don't worry, it's easy!
- The pool is 30.5 meters long.
- Please take extra care on the poolside floor and steps with wet feet, as it will be slippery!
- Swimmers will be started at 20 second intervals for the Sprint/ Sprint Relay and 15 second intervals for the Super Sprint, Fun and CRUK Wave.
- It is not compulsory to wear a swim cap in the swim. If you wish to wear one, please use your own or you can purchase one at the UK Triathlon shop for just £5.00.
- You can enter the water once the previous competitor has started their swim. The starter will tell you when to start your swim.
- For your safety and the safety of other competitors back stroke, tumble turns and diving are not permitted.

Getting ready for the cycle

- When you finish your swim, head into the cycle transition area 1.
- Your race number must be clearly displayed on your back for the cycle section of the event. You must fasten your helmet before taking your cycle off the rack.
- Any type of bike can be used as long as it is road worthy. Electric bikes can be used but the battery **must** be taken out during the triathlon.
- After collecting your cycle, walk or run to the cycle mount line where you commence the cycle section of the race, you cannot mount your cycle until you have crossed the mount line.

The Course

- You must abide by the highway code and follow instructions given in the race brief. Failure to ride safely will constitute an instant disqualification.
- Take extra special care in the first kilometre of the bike course as there are speed ramps and parked cars along the route.
- The course is mainly flat with some undulations. Follow the cycle route signs around the course and do not turn until you see a sign.
- Please take extra care at all junctions although there are safety marshals present, they are not there to give direction.
- Dismount your cycle at the end of the cycle course before the dismount line, a marshal will also tell you to do so, cycling is not permitted in the Cycle Transition Area. Do not unbuckle your helmet until you have racked your cycle.

Drafting

Competitors must keep their distance from the cyclist in front of them, so as not to gain an advantage. In standard distance and shorter events, the gap between the front wheel of the leading bike, to the front wheel of the following bike should be 10 metres - if overtaking a competitor, you have 20 seconds to pass through their draft zone.

[To view the full map and to zoom in on the bike map please click here](#)

Upon completion of the cycle, rack your bike and follow the 'Run Out' signs

- Your race number must be clearly visible on your front before leaving the transition area.
- Follow the run route signs around the course. It is up to you to count your laps on the run, marshals will be taking numbers as a check in the case of suspected insufficient laps completed.
- There is one feed station on the run course which you will pass on every lap, and one at the finish line which will be serving High5 energy drink and water.
- Please use the bins provided, there must be no littering on the course.
- When you have finished the run, turn onto the finish alley and continue through the Mornflake finish gantry.
- Don't forget to collect your finishers medal and hand in your timing chip!

You cannot take your cycle out of the Cycle Transition Area without your race number and corresponding cycle sticker. You must collect your cycle within 20 minutes of finishing your triathlon.
